Dear John,

On behalf of Thames Valley Air Ambulance I would like to express my sincere thanks Trust for the donation of £4,000 which has been awarded from the Masonic Charitable Foundation on behalf of the Provinces of Buckinghamshire. Please accept this letter as an acknowledgement of your kind gift.

Every day, someone in our community could be in need of our service. The support of the Buckinghamshire Freemasons enables us to continue to deliver advanced medical care across Buckinghamshire to people in an emergency. Your donation helps to save lives – thank you so much.

With our kind regards and best wishes,

Amanda Collins
