Receipt Ref. No: CFC16/06/20

Dear Mr Lewis,

I am writing to say thank you, your recent donation of £500.00 on behalf of Cheshire Freemasons Charity (CFC) has been gratefully received.

At this difficult time, I hope you understand that our response has not been quite as quick as normal but we really appreciate your kind donation.

It costs £2.8 million to run Willow Wood each year, currently we have to obtain in the region of 79% of this figure ourselves. Your support goes a long way in raising the vital funds we need to continue helping local people and families of Tameside and Glossop, keeping all the services we offer here free which is extremely important to us.

On behalf of all the patients, their families, volunteers and staff here at Willow Wood – THANK YOU!

Please note that I have also emailed Mr Simon Palfreyman, Assistant Provincial Grand Master – Area 4

Kind regards and stay safe,

Lisa Knowles
