Dear Simon

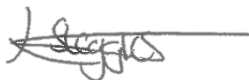

On behalf of my colleagues and the Board of Trustees, I would like to extend our gratitude for the donation made via Area 4, Cheshire Freemasons Charity to Beechwood Cancer Care.

I assure you that your donation will be put to very good use at this particularly challenging time of the Covid-19 pandemic and we are very grateful that Beechwood was nominated as a deserving local charity.

Please convey our thanks and appreciation to those who help to raise much-needed funds for local charities.

With our kindest regards,

Yours sincerely
