Masonic Province of East Kent

Dear Mr Mason,

We are writing to express our appreciation for your help in providing us with face shields for our clinical staff. These shields will make a real difference in helping us to protect the health of our patients and staff.

The NHS is being recognised for the part it is playing in the current pandemic, but it is the contribution of members of our community like yourself, that is making a real difference in helping us to work safely and effectively, and enabling us to continue providing a service to our patients.

Many thanks again for your help, and please pass our appreciation on to your associates in the Thanet Freemasons.

Best Wishes

Gerald Bassett  
Practice Manager
