Dear Mr Swan

Many thanks for your assistance to Ross CDT in securing the grant of £1000, which we today learnt had been officially agreed. We are very grateful. This money will help us to continue our work supporting those in Ross and surrounding parishes who are at risk or at disadvantage due to the Covid pandemic.

Please also pass the sincere thanks of the trustees to your membership, for their work in raising this money and their trust in our charity to make good use of the funds.

Yours sincerely
