18th May 2020

Dear Welbeck Lodge No.2890,

We were incredibly grateful to receive your recent donation of £1500.00. What an incredible amount which will make all the difference to our Hospitals.

Your Donation has helped us to reach over £150,000 for our Hospital Heroes Appeal, which is our emergency appeal set up to fund things like equipment needed and also commodities for staff wellbeing in these unprecedented times. Your donation gives us the flexibility we need to fund items and support that are most need at the time they are needed.

Your generosity makes Nottingham's hospitals better for patients and their families. It also gives the hospital staff a huge boost to hear about such wonderful kindness, which has a real impact on their work.

Because of your support, we are at the heart of your care at Nottingham's Hospitals – thank you so much.

Yours sincerely,

Lucy Dalgress
Community Fundraising Manager
