Dear Mr Marshall,

Support for production of PPE

I am writing to thank you and the Provincial Grand Lodge of Nottinghamshire for your generous support of Ratcliffe College's production of PPE for local NHS workers and care home workers. Your wonderful donation enabled the School to purchase an Ultimaker 3D printer which has now been in production for four weeks alongside our other printers. I am delighted to share with you that the School, in conjunction with volunteer Year 13 students, has now produced and delivered to frontline workers in excess of 6000 visors. As you rightly suggest in your letter, we are all in this together and it has been humbling for me, as Headmaster of Ratcliffe, to see how different organisations and members of our community have come together to help and support our amazing frontline workers.

I would be delighted if, in the future, you would visit the School to see the printer you kindly donated so that I can thank you personally for your support. Mrs Govan, my P.A. will contact you once school returns in the Autumn Term to arrange a mutually convenient time to meet.

Thank you once again for your kind donation.

I wish you and your family well during these uncertain times.

Kind regards.

Yours sincerely,

Mr J. P. Reddin,
Headmaster.
