Dear Robert and Steve

**Provincial Grand Lodge of Worcestershire Donation- Urgent Covid-19 Appeal-  
University Hospitals Birmingham Charity**

Thank you on behalf of University Hospitals Birmingham Charity for your involvement in awarding an exceptionally generous total grant of £34,500 to enable us to provide items for our staff who are working so incredibly hard during such a difficult and worrying time and for our patients and their families who are struggling to stay in contact with one another.

As a result of your donation we have been able to purchase tablets so that families and patients can communicate with one another, during a time where visits are not possible. We have already received some wonderful feedback from staff regarding these.

We have also been able to fund Bereavement Boxes for families who have sadly been unable to be by their loved ones bedside in their final weeks and days as they usually would be able to.

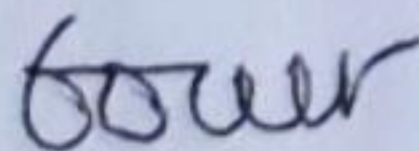

Finally we have funded some comfortable seating for staff in their 'wobble rooms', a space where staff on high pressured wards and departments can escape to, when possible, and take some time out in a comfortable environment.

These items are making a huge difference to our hospitals right now by providing much needed comfort to our wonderful staff, our vulnerable patients and worried families.

Thank you so much on behalf of the people in our community who will benefit greatly from your generosity.

Keep well and safe.

Yours Sincerely

Laura Power  
Fundraising Manager
