

SCRUB HUB

SOUTH BIRMINGHAM

Date 28 April 2020

Dear Mr Day

On behalf of **Scrub Hub South Birmingham** I would like to thank The Worcestershire Provincial Charity Stewards for the generous donation of £250 which we received on 27 April 2020

We currently have over 100 volunteers actively producing garments and many more waiting to join our team. Alongside our teams of drivers, administrators, quality checkers and hub managers, they are working hard to get supplies to those most in need.

Your gift will help us to produce even more scrubs, scrub bags and ear guards to help our amazing key workers during this most challenging of times.

We are so grateful for your support.

With best wishes,

Marcelle Porteous
