Freemasons Charity – Yorkshire North and East Ridings
Eboracum Chapter

We would like to say a huge thank you to all the Freemasons lodges that very generously donated an incredible £5735.

Your donation has allowed us to make vital personal protective equipment for frontline staff during the Covid-19 pandemic, and we were able to make over 1400 sets of scrubs with the money you donated.

In total, we have also delivered;
1616 scrub sets to York Hospital
224 to frontline clinicians working in the community
A further 283 are being distributed across York over the next few days
In addition, we have completed emergency repairs to 650 surgical gowns.

None of this would be possible without the kindness and support of the whole community, and it has been so heart-warming to see the community come together so powerfully during this time of adversity.

With our sincerest gratitude

Dr Rebecca Brown and Sarah Ashton
(on behalf of the York Scrubs Team)
