Mr Stuart Cadman  
West Riding Masonic Charities Limited

Dear Stuart

As Chairman of Leeds Cares, I wanted to personally thank you for the incredible gift of £19,200 towards Leeds Teaching Hospital's purchase of additional equipment during the Covid-19 pandemic.

This gift will make a huge difference to the level of treatment and care that we can provide to critically ill patients from across Yorkshire.

By increasing our numbers of vital sign monitors across the Trust, we can ensure that every ICU bed has the most up to date equipment to enable clinicians to constantly and efficiently assess patient progress and adjust care accordingly, helping to save lives.

We really are truly grateful for your incredible support and please pass on my thanks to everyone in the West Riding Masonic Charities who has made this possible.

Yours sincerely
